

DIRECTIONS:

Mapquest and Maps at Google are getting better but you will still need some final directions. Once you find N. Marble Rd., go one mile north from Potters Rd. You will see a row of mailboxes on the left and a sign that says Marble Creek. Turn left and follow to the end. This is a private road so please drive slowly. Follow it to the end and you will see a bridge on the left. Cross the bridge and follow the blacktop drive up the hill to the right.

ALL PICNICS NEED VOLUNTEERS!

If you have a dog or people game to suggest,
if you would like to play DJ,
coordinate parking,
or help man the barbeque,

WE NEED YOU!

Please contact the Picnic Chairperson to volunteer.

Thank you for your help!
